

## **Dance with Your Doc & Move with Your Healer**

### **Sponsor Application**

#### **About**

Exercise has many health benefits and providers often recommend exercise to their patients. But how do we incorporate movement into our lives? For this special event, experience an opportunity for patients and providers to exercise and learn together. Each event includes a specific health-related topic.

To help support the cost of running the event, sponsorship is important to keeping this event running on a regular basis (about every 3-4 months). To make sure that sponsors get the attention of attendees, there will be only 2-3 sponsors at a time. Please submit this application to be reviewed by Moving To Heal who will determine the best sponsors for the specific event and health topic. Priority is based on having a diverse type of businesses represented as well as early application submission.

#### **Benefits Sponsorship**

- Table at the event to talk with attendees before, during break and after the event.
- 2 – 3 minutes to share about your business to all attendees.
- Business posted on the Facebook Event
- Business listed on Event webpage
- 2 tickets to give to patients/clients (\$20 value) as well as your own attendance

#### **Cost**

- \$50 Paid to Moving To Heal (an invoice will be sent once your application has been approved)

**Complete the follow page and submit to [pauline@movingtoheal.net](mailto:pauline@movingtoheal.net)**
